

say. *! Which reminds me - I am some
lough. I am enclosing two checks one for
the note - Chaney and the other for 6 high
masses for Coffey. Honestly the only time
I ever think of those masses is at the
memorials for the dead at daily Mass.

Latest reports from Brodie is good.
Little Blonde Bobby writes of firing 40MM
Machete guns and of being an Ensign
as soon as he is 20 years old. Roger has
been blasting the Nips and J.C. is
organizing a new school for the Navy
somewhere in Ga.

We are very busy and will
be - so this may be the last note for
some weeks. Keep us in your prayers.

My best to June

God bless you

P.S. I failed to get this in the last mail - so it will
be late as usual.
