

Enclosed is a check for
#140. to finish up the
Seminary account. Our
pay is very regular over
here, contrary to the things
I'd heard in the States
about all I'm getting done
financially in the Army
is paying my school
debts - which is something.

My regards to my friends
you chance to meet. and
thanks for those Chaplains'
A.P.O.'s. I'm looking for the
second V-Mail in that
series.

Yours In Christ
John Zwack
