

HEADQUARTERS 26th INFANTRY REGIMENT
1st U.S. INFANTRY DIVISION
OFFICE OF THE CHAPLAIN
APO 1, NEW YORK, N. Y.

to Cardinal Faulhaber. I do feel quite qualified for the position, because I have been here so long, and have come to know the Bishops, and Deans, and have always been associated with the German Youth and Charity. I receive so many letters from contributors to the Mother Cabrini Home, and they all express their happiness in giving to a definite need. I think I could establish homes of a like nature, and each could be adapted by a parish or diocese. I get everything I want for my one home, and there's no burden on anyone, because I receive the contributions from three Los Angeles parishes, a Franciscan Hospital in St. Louis, and the Ladies of the Cenacle in New York, and from a Protestant Ladies Aid in New York.
