Dear Meg,

-B-

The news of George nearly landed me
over. He should really go to town up
there. Nothing will surprise me. When
does Kelly leave for a parish?

I see Charley Lauber quite frequently
and also Bob, the Kid brother. His duty is
monotonous, very little spiritual work &
a lot of trivialities. His peace time
very stinks. I am still trying to
work the angles and angel to get a
new car and a dog or two in Albuquerque.

Why don't you get yourself
a little dinner and I will be
glad to come & visit with you -
