

As it is to me, I expect to reach
my promotion as Lt. Col - I'm sure
that ~~mm~~ won't get the full Colonel
at least during this war -

We can't be too definite on our destination
but from all indication it will not be
our lot to be here very long - Our hope
our direction will be Eastward and not
westward - We hope -

O Yes, by the way, we could use
some stipends - we are all out.

Best wishes to His Excellency & the rest
of the clergy

As ever
