Dear Msgr.

Thanks for your thoughtful, kind and  
informative letter.

All is well with me. I am enjoying  
my work immensely and there is plenty of  
it to keep me busy. The men seem most  
appreciative for whatever I am able to do for  
them. This is an unusual camp. It differs  
from all the others. It is a processing camp  
for those returning from overseas & those  
preparing to go so that means we have  
thousands of men for only a week or two.  
Always new men accept for the permanent  
party - about 1000 men.
