Dear Mags. D.V.F.,

So sorry, <sup>not to have written sooner.</sup> negligence not criminal  
but ~~assinine~~. I can not! all is well  
(~~function is great invention~~)  
and here where the <sup>news</sup> ~~game~~ is made.

Pages - These really isn't a great deal  
to tell, of course I could <sup>write many</sup> make a lot  
of ~~incredible (sp?) and ~~the~~ the whole business~~  
mysteries as the doctrine of hell and thereby  
~~become heretic~~ - but sheeks it's just  
a routine job.

God. A Nomina to the Sacred Heart is  
being conducted now ~~running perfectly unliturgically~~ from  
Cyrus Chini to Sacred Heart I can't ~~to~~ has  
been the source of <sup>many</sup> lot of ~~God's~~ blessings?  
~~Oh my~~ Billy ~~was~~ was a good  
~~Man~~ of course ~~as~~  
that ~~is~~!
