

At present I'm doctoring an itch and
flea bite. - It is something - Very cold here at
night. I could use a bath - nice hot one.

There are many things I'd like to ^{tell you} say but ^{cannot now.} can't.
I hope to be back in States before too ^{long.} many years.

Did you ever hear of a four pounder - delayed
action ^{some say?} -? They tell me they are something.

So long & thanks for your card & ^{letter.} news.

The Christmas mail got here in a hurry. One letter
came to me in five days - Have not received a
letter in two weeks now. Regards to all, to the Webbuts
and all the priests of Dulago.
