

but in looking<sup>g</sup> over the sky I'm  
afraid we are in for a rain squall  
and I mean squall - it comes down in  
buckets. I promised you I would  
see M<sup>c</sup> <sup>Avoy</sup> ~~Avoy~~ but thus far we have  
not succeeded. If we travel enough  
I'm sure I will get to see him soon.  
I used to get a lot of news from Dr.  
Sanner of all the doings around  
Dubuque but I'm afraid from now  
on I'll have to depend upon your letters.

I had not got a chance to go over  
to Molokai because we were always  
alerted and always delayed until we  
finally left Hawaii.

Just got the news today of the  
terrible Atomic Bomb and its  
destruction. Alas today we got the  
news of Russia declaring War on  
Japan. Let's hope this thing winds  
up soon so we can get back home  
to normal living once more.
