Somewhere in Pacific  
June 5 - 1945

Dear Monsignor,

The heading suggests - somewhere  
in the Broad Pacific. The week after  
my arrival <sup>on west coast</sup> who shows up but <sup>Father John</sup> Ryan  
well he only stayed about a week  
& shipped out. Maybe we will run  
into him along the road somewhere.

~~I was sorry to hear of the death of  
What's the matter with the Deceased Father  
Bozack - Herkus. Homel. & Goetzinger - trying  
to make an appropriate place for us. I hope~~

After this trip I'm satisfied <sup>with</sup> being  
in the army. Navy life does not appeal to  
me. So many of them are just <sup>so</sup> filled  
with the superiority complex that it is  
pitiful

Regards to all - Will drop a line  
soon (I hope) with somewhat of a permanent  
address - until then

So Long

H.

~~John~~  
Fr. Cowroy
