Dear Monsignor -

Well we got this far - without a doubt we might go further west to greet Tojo. This is sure a swell place. Sure would like to stay here, beautiful scenery, flowers etc and weather - ~~O Boy!~~

What our new assignment will be depends upon circumstances. Maybe the next time I'll greet you from Okinawa, Japan, China or Burma & points west.

Hope things are going along ok - I will have to get acquainted all over in Dubuque again. Mr. John F. Ryan we met out of Fresno or some other port but he did not stop here. Maybe he is in Leyte or Okinawa

Regards to everyone -
as ever
