Dear Monsignor Foley,

Just a note to say we are on a boat
& waiting to move out. Have been very busy.
- Met May Martin on train when I was going into
~~Chicago~~ N.Y. City.

We are on a fine boat - big & fast. Hope
we have a good trip without too many interruptions.
They certainly tell us very little regarding anything.
We are now getting away from a lot of red tape
that took up so much time. The skipper of the
ship is a Catholic. One other Catholic chaplain on
here so far.

I'll write a newsy letter when we get over
So long for now -

Sincerely
John P. Fagan
