Rt.Rev. and dear Monsgr.:

I am enclosing my monthly report for April. It is a negative report. I am back at the hospital. Still no orders to appear before the retirement board but word came a few moments ago to report Tuesday of next week. Things will move faster then, I hope. I am feeling fine now, haven't felt so good for a long time. I think the "OLD NICK" of the S.W. Pacific is about all driven out by now. The leave I just completed did wonders. Daily sunshine under Iowa skies and a round of golf - 7 holes - did the trick. Give best regards to the Archbishop.

Yours fraternally in Christ,

L.P. White
