

## **The Loras College Committee for Women's Issues Archive**

Two Hollinger boxes contain files pertaining to the Loras College Committee for Women's Issues. Each box has files organized according to academic years. They begin in 2006 and end with the 2004-2005 school year. The first folder was originally marked "Women's History Month, Fred Morton, 1996," perhaps indicating that Morton founded the Committee in that year.

Items within each of the files tend to be fairly consistent with one another and include (but are not necessarily limited to) the following:

- Box containing 11 314" floppy disks (presumably with documents pertaining to CWI?)
- CWI Constitution
- Program logistical forms
- Program Flyers
- Even programs
- Meeting Minutes/notes
- Notes on Speakers
- Copies of essays, quotes, speeches, facts, poems, etc. concerning women's issues
- Photographs
- Calendars of events
- Correspondences between CWI involved parties and individuals
- Pertinent Newspaper articles
- Annual Reports
