Dear Monsignor,

Just a line as I'm on the move again from this haven of pleasure and (Kikes) - Go to Replacement Pool at New Orleans Port of Embarkation. Expect to be sent back to X XI Corps in Germany. Will write you as soon as I get my new assignment -

Enclosed check finally caught up with me. I'll endorse it to the "Bishops Relief" as a donation. Maryknoll as I first intended will get a later check.

Regards to all.

Tom

P.S. I'm afraid I'm never going to get away from Louisiana
