Dear Capt. Wilby,

December 21, 1951

Accept my appreciation toward the St. Bernard Seminary.

He had a big day here, yesterday. The Archbishop of Dubuque, Francis J. Beckman, who visited us, was honored by the medals of Our Lady of Mount St. Bernard. He will wear them all year. He had a big day yesterday when he met his outside the post. There are many people who are very interested in the Seminary.

When we get into the post, the personnel will be very cooperative. The authorities of the post were very cooperative. We will be very happy to have you here. Ch. Capt. John A. Zwack O-31066

Dear John:

Wish you and yours with the true peace and joy of Christ's

I am enclosing receipt for your splendid contribution to Mount St. Bernard Seminary.

Sincerely,

My thanks and I know I can likewise say the same for the Hierarchy, Clergy, and Seminarians of Dubuque. God Bless You!

I enjoyed your interesting account of Archbishop Beckman's visit to the post.

We had the dedication of Mount St. Bernard's on the twelfth - a simple but impressive ceremony with Cardinal Mooney officiating.

As you no doubt know, we are not bothered by heat, however, we have been preserved from many of the bad storms of other places.

This will of necessity be all for now, John.

I trust you and yours will have a truly Happy Christmas .

Kindest regards,
