

Hawaii June 15th
[1945]

Dear Mrgt -

Well we have a new address
again - Hq. A.G.F. APO 458 90 PM
San Francisco, Calif.

In the course of your travels we
hope to run into some of the boys
It is not often I run into any of
them -

~~We~~ ^{I am} ~~are~~ still in good health - &
hope to stay that way - Ran into
Dr. Sanner (local) with 117 Gen Hosp.
Age has not told on him too much
which we cant say for most of us -

This place would be an ideal
spot to spend a vacation - mild the
year round -

I have not had a chance to visit
Honolulu - hope to make it in the morning
Will tell you about it in ~~our~~ next
letter -
