

THE CHAPLAIN SCHOOL
HARVARD UNIVERSITY

gave me a lot of information
and inside tips on what was
in store. So I think I will
like it.

I'm coming to Iowa to pick up
my car and then pick up a few
things. Expect to be around for
5 or 6 days. I'll drop in & see
you then.

J. J. B. of Proctor promised that he
and Art would shoot my
flocks of pheasants. We leave here
4th Nov. Expect to arrive at La Crosse
Wisc. - 8:00^{PM} Friday.

Things at School are fine. Lots of things
to "guff" about but if one hasn't a
sense of humor it's too bad. Yet the P. B.'s
make one split a "gut" at times at their
nonsense and silliness. I hear
B. J. Hard says C. Stenlage was coming
home for a rest. I'm afraid he
doesn't laugh enough & relieve the tension
at times. Best regards
yours as ever
Louie White
