

BSU

The Black Student Union at Loras College reached the two year mark since its conception. The BSU which is made up of Black Students seeking to develop an atmosphere which is customary to them, rather than being ill-at-ease, so to speak, in the white, middle class atmosphere at Loras, and the surrounding community.

The major goals of the BSU are set at maintaining a Black atmosphere at Loras, development of a Black Cultural Center for all students and recruitment of other black students to Loras.
