

Three masses on Sundays were  
a privilege but how I stretch the  
privilege to three on Wednesday  
& a few other stunts. Reservation  
is another problem - I have a  
steel desk in my office, and it  
acts as my tabernacle believe it  
or not - its necessary.

Well, I expect to go another  
direction next week - I'd try to  
fly both ways -

Regard & best wishes from those  
of us in the army - Asking a  
prayer

Sincerely yours in Christ
