Dear Monsgr:-

Monthly report time and also time for a few lines in answer to yours I received the other day. I am fine and at the present time am resting at some isolate spot. Got into a nice home with floors. First time I had my feet on a floor in my office or living quarters over seas. You know all the war news of the Philippines so I will not need to tell you. I think you get it before we do.

Best regards to both the Archbishops.

Yours as ever,

*Louis*
