

- England

Dear Monsignor

[1945?]

Thanks for your ~~many~~
V-mails. They get here in
about 15 days.

Fr. Conway is on his
way back to the States.
Poor fellow! I don't think
he liked the deal, but,
of course, he'd never ad-
mit it.

Met a second cousin
of Fr. ~~James~~^{James} Supple over here,
a Fr. John Supple. He even
had a snapshot of Fr. James
with him.

The weather is very
unpredictable. First it's
cold, then snow, then
a warm rain - result, mud!
