

Have not had a chance to visit Fr Kress  
as I have been acting Port Chaplain of Port of  
Embarkation in addition to other duties.

It is interesting to see the changes in the  
diocese - What is Peters going to be - coadjutor with  
the right of succession at St Patricks in Cedar Rapids.  
Hold a nice quiet place - near a thru line &  
highway for some of us 'veterans' -

Best wishes

P.S. !  
Marriages still a problem. It seems all  
the dirty linen from interior winds up at  
this Port of Embarkation - Hope the most of these  
marriages stick
