Dear Monsignor,

The Holy days over and all well. We were so busy setting up camp, many of the men couldn't get to Mass. However, the Battalion is in good shape. Before we left Balh, we had a Bn. Communion and a Communion breakfast, and really, it was unbelievable how so many turned out. ~~Seven bad marriages fixed up~~, ~~two Italian First Communions~~ and one convert First Com. Now if they'll just hold to it!
